

We Be Goblins! Spells

Barkskin (246) (Potion)

School transmutation; **Level** druid 2, ranger 2

Casting Time 1 standard action

Components V, S, DF

Range touch

Target living creature touched

Duration 10 min./level

Saving Throw none; **Spell Resistance** yes (harmless)

Barkskin toughens a creature's skin.

The effect grants a +2 enhancement bonus to the creature's existing natural armor bonus. This enhancement bonus increases by 1 for every three caster levels above 3rd, to a maximum of +5 at 12th level.

The enhancement bonus provided by *barkskin* stacks with the target's natural armor bonus, but not with other enhancement bonuses to natural armor. A creature without natural armor has an effective natural armor bonus of +0.

Charm Animal (254) DC 13

School enchantment (charm) [mind-affecting];

Level druid 1, ranger 1

Target one animal

This spell functions like *charm person*, except that it affects a creature of the animal type.

Charm Person (254)

School enchantment (charm) [mind-affecting];

Level bard 1, sorcerer/wizard 1

Casting Time 1 standard action

Components V, S

Range close (25 ft. + 5 ft./2 levels)

Target one humanoid creature

Duration 1 hour/level

Saving Throw Will negates; **Spell Resistance** yes

This charm makes a humanoid creature regard you as its trusted friend and ally (treat the target's attitude as friendly). If the creature is currently being threatened or attacked by you or your allies, however, it receives a +5 bonus on its saving throw.

The spell does not enable you to control the charmed person as if it were an automaton, but it perceives your words and actions in the most favorable way. You can try to give the subject orders, but you must win an opposed

Charisma check to convince it to do anything it wouldn't ordinarily do. (Retries are not allowed.) An affected creature never obeys suicidal or obviously harmful orders, but it might be convinced that something very dangerous is worth doing. Any act by you or your apparent allies that threatens the charmed person breaks the spell. You must speak the person's language to communicate your commands, or else be good at pantomiming.

Create Water (262)

School conjuration (creation) [water]; **Level** cleric 0, druid 0, paladin 1

Casting Time 1 standard action

Components V, S

Range close (25 ft. + 5 ft./2 levels)

Effect up to 2 gallons of water/level

Duration instantaneous

Saving Throw none; **Spell Resistance** no

This spell generates wholesome, drinkable water, just like clean rain water. Water can be created in an area as small as will actually contain the liquid, or in an area three times as large—possibly creating a downpour or filling many small receptacles. This water disappears after 1 day if not consumed.

Note: Conjunction spells can't create substances or objects within a creature. Water weighs about 8 pounds per gallon. One cubic foot of water contains roughly 8 gallons and weighs about 60 pounds.

Flare (284) (DC 12)

School evocation [light]; **Level** bard 0, druid 0, sorcerer/wizard 0

Casting Time 1 standard action

Components V

Range close (25 ft. + 5 ft./2 levels)

Effect burst of light

Duration instantaneous

Saving Throw Fortitude negates; **Spell Resistance** yes

This cantrip creates a burst of light. If you cause the light to burst in front of a single creature, that creature is dazzled for 1 minute unless it makes a successful Fortitude save. Sightless creatures, as well as creatures already dazzled, are not affected by *flare*.

Produce Flame (326)**School** evocation [fire]; **Level** druid 1**Casting Time** 1 standard action**Components** V, S**Range** 0 ft.**Effect** flame in your palm**Duration** 1 min./level (D)**Saving Throw** none; **Spell Resistance** yes

Flames as bright as a torch appear in your open hand. The flames harm neither you nor your equipment.

In addition to providing illumination, the flames can be hurled or used to touch enemies. You can strike an opponent with a melee touch attack, dealing fire damage equal to 1d6 + 1 point per caster level (maximum +5).

Alternatively, you can hurl the flames up to 120 feet as a thrown weapon. When doing so, you attack with a ranged touch attack (with no range penalty) and deal the same damage as with the melee attack. No sooner do you hurl the flames than a new set appears in your hand. Each attack you make reduces the remaining duration by 1 minute. If an attack reduces the remaining duration to 0 minutes or less, the spell ends after the attack resolves.

This spell does not function underwater.

Spider Climb (347)**School** transmutation; **Level** druid 2, sorcerer/wizard 2**Casting Time** 1 standard action**Components** V, S, M (a live spider)**Range** touch**Target** creature touched**Duration** 10 min./level**Saving Throw** Will negates (harmless); **Spell Resistance** yes (harmless)

The subject can climb and travel on vertical surfaces or even traverse ceilings as well as a spider does. The affected creature must have its hands free to climb in this manner. The subject gains a climb speed of 20 feet and a +8 racial bonus on Climb skill checks; furthermore, it need not make Climb checks to traverse a vertical or horizontal surface (even upside down). A *spider climbing* creature retains its Dexterity bonus to Armor Class (if any) while climbing, and opponents get no special bonus to their attacks against it. It cannot, however, use the run action while climbing.

Summon Swarm (354)**School** conjuration (summoning); **Level** bard 2, druid 2, sorcerer/wizard 2**Casting Time** 1 round**Components** V, S, M/DF (a square of red cloth)**Range** close (25 ft. + 5 ft./2 levels)**Effect** one swarm of bats, rats, or spiders**Duration** concentration + 2 rounds**Saving Throw** none; **Spell Resistance** no

You summon a swarm of bats, rats, or spiders (your choice), which attacks all other creatures within its area. (You may summon the swarm so that it shares the area of other creatures.) If no living creatures are within its area, the swarm attacks or pursues the nearest creature as best it can. The caster has no control over its target or direction of travel.

Web (Ex) (B 305)

Creatures with the web ability can use webs to support themselves and up to one additional creature of the same size. In addition, such creatures can throw a web up to eight times per day. This is similar to an attack with a net but has a maximum range of 50 feet, with a range increment of 10 feet, and is effective against targets up to one size category larger than the web spinner. An entangled creature can escape with a successful Escape Artist check or burst the web with a Strength check. Both are standard actions with a DC equal to 10 + 1/2 creature's HD + creature's Con modifier. Attempts to burst a web by those caught in it suffer a -4 penalty.

Web spinners can create sheets of sticky webbing up to three times their size. They usually position these sheets to snare flying creatures but can also try to trap prey on the ground. Approaching creatures must succeed on a DC 20 Perception check to notice a web; otherwise they stumble into it and become trapped as though by a successful web attack. Attempts to escape or burst the webbing gain a +5 bonus if the trapped creature has something to walk on or grab while pulling free. Each 5-foot-square section of web has a number of hit points equal to the Hit Dice of the creature that created it and DR 5/—.

A creature can move across its own web at its climb speed and can pinpoint the location of any creature touching its web.

Format: web (+8 ranged, DC 16, 5 hp); Location: Special Attacks.
