

ANIMAL FRIENDSHIP

Licktoad Badge Benefit: Following a successful attack against a creature of the animal type, the user of this badge increases damage dealt by +1d6 (this damage is not doubled on a critical hit). The user can decide to use this badge after rolling the regular damage from an attack.

HAPPY BEAT

Licktoad Badge Benefit: The user of this badge gains DR 5/— against a single attack, and is hurled 5 feet away from their attacker in a direction of the user's choosing, landing on their feet. The user can activate this badge after they are hit, but before damage is rolled.

HURTFUL WORDS

Licktoad Badge Benefit: The user of this badge can insult a single creature with at least an Intelligence score of 3 within 30 feet. The user can make an Intimidate check to demoralize with a +5 bonus to the roll. If the check exceeds the target DC by 5 or more, the target creature is staggered for 1 round instead of shaken. This is a mind-affecting effect.

SQUIRMTONGUE

Licktoad Badge Benefit: This badge's user can reroll a single saving throw they failed, but immediately falls prone.
